|----------------|---|
| 40             | Agreement.  |
| 41             | Mr. Vogler stated the Agreement is written as a pass-through, meaning that the County   |
| 42             | will fund the fees for the CDD and the CDD will pass them through to NCP through the  |
| 43             | Agreement. If those funds are not forthcoming, then there will be nothing to pass through. This   |
| 44             | item is intended to be net financial neutral to the CDD, which has entered into this Agreemen   |
| 45             | with the County under the law that authorizes local governments to interact with each other   |
| 46             | through agreements. The County is funding this project.   |
| 47             | Mr. Vogler stated this is identical to the Management Agreement the CDD had for the   |

The contract was terminated and Staff has been working with 91 Mr. Mark Evans and Mr. Harry Wilson to engage another contractor, which is challenging because most contractors are inundated with work and contractors are generally reluctant to 92 93 step in to finish a previous contractor's work. Mr. Kennedy stated he recently conferred with Mr. Evans and Mr. Wilson and they 94 95 found a familiar contractor who is considering taking the project. He suggested authorizing Staff 96 to work with Mr. Evans and Mr. Wilson and others to engage Firethorn to complete the 97 unfinished work. 98 Mr. Vogler stated Staff recognizes that this may be emergency work and the Board is 99 taking steps to complete the work under that authority. He recommended authorizing the Chair 100 to execute an agreement, with ratification at the next meeting.
